QUESTIONS FOR DISCUSSION

1. How has Jesus interrupted your daily routine?
2. What has been the reaction?
3. How has Jesus’ healing or changing your life affected the people surrounding you? (Remember the healing of the individual in our text, caused others to lose an investment of 2000 pigs by drowning.)
4. What grips you and will not let go, day or night, will not let you rest and enjoy God’s grace?
5. How are you letting your family know of all the Lord has done in your life?
6. How much training did the man in our story get, before being sent out? How much more training do you think you need?

When Jesus changes your life, what is your response?
